Hi Chance,

This looks good to me. I've added my attendees in the attached version of the agenda. If you don't mind, I think it would be fine if Ecology sent the agenda/documents to all attendees including EPA..

Here are our email addresses:

szelag.matthew@epa.gov
macchio.lisa @epa.gov
chung.angela@epa.gov
allen.adrianne@epa.gov
macdonald.jennifer@epa.gov

(See attached file: June_14_2012_Agenda.docx)

Thanks,

Matt,

Attached is the updated write up with your changes, three attachments to accompany the write up (#3 is a weblink so it is not attached), and a proposed agenda. The agenda needs your editing, specifically the yellow highlighted areas. Please let me know if this is satisfactory and how you would like to proceed. For example, should we send the docs out to our respective colleagues, or should it come from Ecology to all? I don't have a preference.

Hi Chance,

Yes, I think it's a good idea to include the EPA memo on natural conditions as an attachment. Here it is:
(See attached file: *naturalback.pdf*)

I'd be happy to review the memo and agenda when you have it drafted. Thanks for doing that.

Thanks,

Welcome back. I am finishing up the memo today - should have it done soon so we can send it out. I will attempt to draft an agenda along with the write up for your review. I am unable to access my archive e-mail to review the EPA letter you sent us (last year I believe) on the natural conditions policy. Could you forward that again? I think that would be good to attach to the write up - thoughts?

Hi Chance,

I'm back from vacation now and getting caught up. Thanks for coordinating with Lisa while I was gone and sorry the meeting had to be rescheduled. I wanted to check-in on two things:

1. We have the room reserved from 9-4pm and have that time blocked off on all attendees calendars, but what time were you thinking for the actual meeting?
2. Have you had a chance to review the revisions I sent you regarding the discussion topics? (attached below). I think it would be good to have this finalized soon to circulate to attendees.

(See attached file: *SMS_Rule_EPA_Ecology_Discussion_Topics[1].docx*)
